Total Units: 24 Total Unit Strength: 27

Total Primary Core Points: 2300 (100.0%)

Custom Rule	Description
Eye in the Sky	At the start of each of your Ranged phases you can immediately target and "mark" an Enemy unit anywhere within 24" of this unit regardless of Line of Sight. For the remainder of the Turn, all friendly Core units with the Lobber keyword, while targeting the marked enemy unit, have the Elite (Ranged) special rule. This special rule may not be used while the Winggit is Disordered.

Special Rule	Description
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Aura (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect melee or ranged combat (such as Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the combat is being resolved. Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.
Big Shield	All attacks (Ranged and Melee) against the target unit's front facing treat its defence as 6+.
Blast	If the unit's attack hits the target, the target suffers a number of hits equal to the number in brackets, rather than a single hit. Once this is done, roll damage as normal for all of this hits caused.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If no value is specified, the unit has Brutal (1). If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Duelist	While attacking enemy Individuals in Melee, this unit doubles its number of Attacks.
Fly	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. This includes Difficult Terrain the unit started in. The unit does not suffer

	Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move with While Disordered, this unit cannot use the Fly special rule. In addition, if a unit with Fly also have rule, then the Nimble special rule is also lost while the unit is Disordered.	
Ignores Obscured	Ranged attacks made by this unit do not suffer the -1 to hit modifier from Cover that is grante Obscured Target (although the unit may still benefit from Cover from another source (e.g. by	
Individual	See the Rules Chapter for Individuals	
Inspiring	If this unit, or any Friendly Core unit within 6inches of this unit, suffers a Rout result, the opportunity of the second result stands. Note that a unit may also have a qualifier for its Inspirir unit will only Inspire itself and the unit(s) specified.	
Mighty	Individuals with the Mighty special rule are no longer Yielding.	
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing including a Charge. It cannot make this extra pivot when ordered to Halt. When Disordered be either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end	y a unit in Melee with
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling	ng to damage.
Reload	The unit can only make ranged attacks if it received a Halt order in its previous Movement ph	ase.
Steady Aim	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.	
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is Crushing Strength (if any). However, the unit loses this bonus when Disordered and reduces Hindered (to a minimum of zero).	
Very Inspiring	This is the same as the Inspiring special rule, except that it has a range of 9". Any rule that at affects Very Inspiring. Ignore this modifier for the purposes of Inspiring - this special rule affect Inspiring (Self).	
Vicious	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.	
Wild Charge	Models with this special rule may add (n) to their charge range. This is added after Sp is doul with a Sp stat of 4 and Wild Charge (2) can Charge units up to 10" away In some instances variable die roll (e.g. Wild Charge (D3)). In these cases, at the start of the controlling player's for each unit that has a variable wild charge before issuing any movement orders.	s, the (n) value may be a
Spell	Description	Special Rules
<b>Lightning Bolt</b> Range: 24" Enemy	Roll to damage the enemy as normal.	Piercing(1), Hits on a 5+ against units in Cover.
Artefact	Description	
Blade of Slashing	Whenever the unit rolls to hit in Melee, it can re-roll one of the dice that failed to hit.	
Orb of Towering Presence	May not be taken by units with the Individual or Fly special rules. Increases the unit's Unit Str maximum of four.	rength by one, to a

The unit gains the Lighning Bolt (3) spell, or if the unit already has a Lightning Bolt spell, its value is increased by 2.

This unit gains the Brutal special rule.

Pipes of Terror
